## **Romans: Rooted in Jesus No Condemnation**

Romans 8:1

### **Questions and Discussion:**

1. Why is there no condemnation according to Paul? Consider these passages: Romans 6:1-11 and Romans 7:1-6. Sin and the law no longer have power over us because we are what?
2. How important is our union with Christ's crucifixion, death, burial, resurrection, and new life? Romans 7:4
3. In Romans 7:13-25, Paul describes his life as a believer who struggles with sin. How does the truth of no condemnation inform our current struggle against sin?
4. We cannot be condemned because we are united to Christ. To condemn us, God would have to condemn his Son. How does this shape your view of justification?
5. In Romans 8:2-8, Paul explains why there is no condemnation. Read it and reflect on his reasoning.
6. Condemnation is the opposite of justification, or righteousness by faith, Romans 3:21-26 and 5:15-21. How does Paul communicate the meaning of justification?
7. Jean Valjean carried a yellow passport, a convict's passport, and could not escape his condemnation. What passport do you carry in Christ?
8. What did the Spirit communicate to you today? What did you learn?
